

Winner (Andrew Dawson HappySad Remix Radio Edit)

Pet Shop Boys

This is the moment, we'll remember
Every day for the rest of our lives
Time may rush us, hurt or love us But on this day we have arrived It's been a long time coming
We've been in the running for so long
But now we're on our way
Let the ride just take us
Side by side and make us
See the world through new eyes every day You're a winner
I'm a winner
This is all happening so fast
You're a winner
I'm a winner
Let's enjoy it all while it lasts I've been a loser, I've paid my dues
I fought my way up from the ground
Now at this moment, the crowd acclaim us
Will you just listen to that song It's been a long time coming
We've been in the running for so long
But now we're on our way
Let the ride just take us
Side by side and make us
See the world through new eyes every day You're a winner
I'm a winner
This is all happening so fast
You're a winner
I'm a winner
Let's enjoy it all while it lasts It took us so long
And we worked so hard
We came so far just to compete
But don't forget all
The love and laughter
Now the world is at our feet
Looking back on all the times
We felt downcast
Didn't think we were going anywhere
Just living in the past
But in that desperation
You get inspiration You're a winner
I'm a winner
This is all happening so fast

You're a winner
I'm a winner
Let's enjoy it all while it lasts 'Cause you're a winner
Took so long, we worked so hard
We came so far and just to compete
But don't forget all
The love and laughter
Now the world is at our feet You're a winner
I'm a winner
This is happening so fast
You're a winner
I'm a winner
Let's enjoy it all while it lasts
'Cause you're a winner
