Paint

Francis Wolf

Paint (Waiting Up For You)

Paint The Roses Red
Paint The Skies All Blue
And The Rays Of The Sun
Just For Me And You

And I Wonder, And I Wonder Why
And I Wonder Why I try

Shalala Tu Tu Tu
Shalala Waiting Up For You

Paint A Smile On A Baby's Face
Paint A Smile Of Sheer Disgrace

And I Wonder, And I Wonder Why
And I Wonder Why I try

Paint The Evenings Red
Morning Dew Is Blue
We Know The Colors
But Never DO We Try

Waiting Up For You
Is All That We Can Do
As The Sky Leaves Blue
And The Evening's New
