Sweet Lovin'

Poco

Sweet, sweet love
Sweet, sweet love
To light her waySun shinin' in the night
My newborn child
Oh my, sharin' her lovin' with me
I can see in her smileWordless are the thoughts
She's tryin' to say
Oh my, maybe she's seein' the light
Of a brighter daySo give her some lovin'
Sweet, sweet love
Sweet, sweet love
Sweet, sweet love
To light her wayTears runnin' down my face in ecstasy
Oh my, how we gave life to this child
Baby, you and me
With the love we shared insideShe found her way
Oh my, you know it makes me feel
So much more for todaySo give her some lovin'
Sweet, sweet love
Sweet, sweet love
Sweet, sweet love
To light her way
