Nothing's Gonna Stop Us

Sidewalk Prophets

Every journey needs a first step to start
Every fire grows from a single spark
A great symphony begins with just one note
One voice can give the whole world hope
There's no impossible, nothing we can't face
The tallest mountains are moved by a seed of faith
Come together, don't you know that you're not alone.
We will rise up for the kingdom come
Lay down our lives for the sake of love
If God's with us we know that
Nothing's gonna stop us
Nothing's gonna stop us
He has called you to all the places you'll go
He's the Author of every dream that you hold
Come together, don't you know that the time is now
The time is now
We will rise up for the kingdom come
Lay down our lives for the sake of love
If God's with us we know that
Nothing's gonna stop us
Nothing's gonna stop us
We will rise up for the kingdom come
Lay down our lives for the sake of us
If God's with us we know that
Nothing's gonna stop us
No height, no depth
Could ever keep us from the love of God, I know, I know
No life, no death
Could ever seperate us from the love of God, I'm sure
We will rise up for the kingdom come
Lay down our lives for the sake of love
If God's with us we know that
Nothing's gonna stop us
Nothing's gonna stop us (Repeat)
