

I'm Sorry

Blake Shelton

You say you don't know what you were thinkin.
Well, neither do I.
After all the time we spent together,
you think you deserve another try. Well girl I don't know what it is that you're expecting,
just because you looked me in the eye Say you're sorry, oh you're sorry.
You want it back the way it was.
Well I'm sorry, but sometimes sorry just ain't good enough You say you never meant to hurt me
That might be true
Do you really think I should forgive you
For what you put me through? Oh, I remember every time you said you love me.
But I know now your love was just a lie. Say you're sorry, oh you're sorry.
You want it back the way it was.
Well I'm sorry, but sometimes sorry
just ain't good enough Well girl I don't know what it is that you're expecting,
just because you looked me in the eye You say you're sorry. Oh you're sorry, so sorry.
and you want it back the way it was
well I'm sorry, sometimes sorry just ain't good enough.
