## Eitch

They love me. They want me-- I'm all theirs.  
I want them. They're all mine. You always knew what was best.  
And you've always done what was right.  
Ignite. Everything happens for a reason;  
a reason not always part of the goal.  
You're just wasting your time if you  
think you can catch our souls.  
Stop trying to control. Stop trying to control the situation.  
Stop trying. You're just wasting your time if you  
think you can catch our souls.  
"I think I know what's best for us." (I know what's best for us). Think again.
