

# Talk to Me

Marian Hill

Got me runnin' round  
Got me playin' for your change, you do  
Ya tryna wear me down  
Baby, I'm not playin' games for you Whatcha lookin' for?  
Did you lose your way?  
In this tug of war, you're a lightweight  
I'll be sitting tight, so do whatever you like to do You know I know you've been restless,  
I know you know you could get this  
You've got to do something reckless  
Come on baby won't you talk to me? Got me in a fix  
While you're playing with your girl, you do  
You're up to your tricks  
So you call me when she's out of view If she's everything that you're looking for  
Why ya calling me? 'Cause I give you more  
Go make up your mind  
'Cause I'm not waiting in line for you You know I know you've been restless,  
I know you know you could get this  
You've got to do something reckless  
Come on baby won't you talk to me? I know you know we know there's something to be said  
Inching past the daydreams, inching towards your bed  
I hope you know I'll go away if you don't try  
It's time to open up and let me come inside You know I know you've been restless,  
I know you know you could get this  
You've got to do something reckless  
Come on baby won't you talk to me?
