

Let It Rain

Keri Noble

I didn't know if I would ever feel the same
The way I used to feel before you'd gone
I didn't know if the ache would ever go away
I only knew I had to go on I know I should've noticed it was coming
But I just wanted to pretend I was blind
I don't know if you ever really loved me
Or maybe you were just passing time
Well I guess you'll never know
But I've finally let you go
And the rain may be falling on my window
But I feel like I'm coming alive
Yesterday I was trying so hard not to cry
But today I feel fine
Let it rain I know you always thought I'd stay here waiting
Just in case you wanted to come back
But you never thought I might start healing
And maybe I just would not want you back
Well I guess you'll never know
But I've finally let you go
