

More Like You

Clay Crosse

Everywhere I go
Let me be a servant
Let my hope be known
And my prayer be fervent
That is rising to Your ear
So that from my heart You'll hear
You are perfect, You are holy
You are faithful, You are true
And I long to live in Your glory
Oh Lord, make me more like You
Oh Lord, make me more like You
Silver and gold
All the world's attractions
The things I hold
They are just distractions
From the truth that sets me free
'Cause when I look at You I see
You are perfect, You are holy
You are faithful, You are true
And I long to live in Your glory
Oh Lord, make me more like You
Oh Lord, make me more like You
Oh Lord, oh Lord, make me more like You
Oh Lord, oh Lord, make me more like You
Oh Lord, make me more like You
When my time is through
And my days are ending
I'll trust in You
For a new beginning
In your presence everyday
In my final breath I'll say
You are perfect, You are holy
You are faithful, You are true
And I long to live in Your glory
Oh Lord, make me more like You
You are perfect, You are holy
You are faithful, You are true
And I long to live in Your glory
Oh Lord, make me more like You
Oh Lord, make me more like You
Oh Lord, oh Lord, make me more like You
Oh Lord, oh Lord, make me more like You
Oh Lord, oh Lord, make me more like You
Oh Lord, make me more like You
Oh Lord, make me more like You
Oh Lord, make me more like You
Oh Lord, make me more like You
