

# Heartbreak Heard Around The World

Jacob Latimore

Um, oh, oh, oh, no, no, noHell of a night, 3:32 wishing that I was there with you  
I'm stuck in the cab, too hard to drive  
Yeah, I'm just trying to survive  
And I was thinking 'bout love, thinking 'bout us  
Living the dream that we dreamt up  
Now I was thinking 'bout life, thinking 'bout time  
Thinking like I'm losing my mindYou got me singing like oh, oh, oh  
Never gonna find another love like you oh, oh, oh  
I had another lover but she just won't do  
So I can't take it, so come back home  
Swear to God if you don't come back girl like oh, oh, oh  
This will be the heartbreak heard around the world(This will be the heartbreak)  
Seem stuck in the maze trying to find  
Find my way back into your life  
Dying for one, one night with you  
Just one more chance and that I will do'Cause I was thinking 'bout life, thinking 'bout truth  
What can I do to make it up to you?  
Thinking 'bout life, thinking 'bout time  
Thinking like I'm losing my mindYou got me singing like oh, oh, oh  
Never gonna find another love like you oh, oh, oh  
I had another lover but she just won't do  
So I can't take it, so come back home like ooh, oh, oh  
Swear to God if you don't come back girl like oh, oh, oh  
This will be the heartbreak heard around the worldI know why you're trippin'  
I got to be honest, I ain't never felt quite like this  
Anything you want, if I got it, you got it, baby  
I don't wanna fight like this  
I was thinking 'bout putting a ring on it (But it's too late)  
I should've give you everything that you wanted, (Uh uh uh)  
'Cause I ain't never gonna find a girl like you  
And even with this auto-tuned you got me singing like oh, oh, oh  
Like oh, oh, oh, ohYou got me singing like ooh, oh, oh  
Never gonna find another love like you ooh, oh, oh  
I had another lover but she just won't do  
So I can't take it, so come back home  
Swear to God if you don't come back girl like ooh, oh, oh  
This will be the heartbreak heard around the world  
This will be the heartbreak heard around the world  
This will be the heartbreak heard around the world

This will be the heartbreak heard around the world  
This will be the heartbreak heard around the world
