

Trumpets Blow

Kierra Sheard

You was in the club, pumpin'™ on that club,
Shouts got me everybody running for the..
Now you'™re on your knees, singing: Lord, please
You help me get through.

Baby I know, I'™ll be good, I know, I'™ll be fine
Don'™t worry bout me, just worry bout you, you'™ll be right
(I know) then I know, eyes on your side,
Just be ready when the trumpet blows

Oh oh oh oh oh oh...
You know I'™m ready
Oh oh oh oh oh oh ...
I'™ma be ready when you call back
Anybody ready in here?

If you'™re ready, I'™m ready
Tell me, tell me cause I'™m ready
Are you ready, yeah, tell me, tell me are you ready?
Uh, are you ready?
Tell me, tell me cause I'™m ready.

Cause when you go, got sippin on your phone,
Before you knew and you'™re sleeping down flipped off the road,
Now you'™re burning hoping for brighting lights,
If I'™m making, gotta .. gonna acting right,
But I'™m good, promise I'™ll be fine
Just we back in, .. I'™m right
You'™d better get right, got .. on your sight
Just be ready when the trumpet blows

Oh oh oh oh oh oh...
You know I'™m ready
Oh oh oh oh oh oh ...
I'™ma be ready when you call back
Anybody ready in here?

Wanna be ready
Are you ready, yeah, tell me, tell me are you ready?
Uh, are you ready?

Tell me, tell me cause Iâ€™m ready.
Are you ready, yeah, tell me, tell me are you ready?
Uh, are you ready?
Tell me, tell me cause Iâ€™m ready.

Time waits for no one, oh
It ainâ€™t all safe, be ready, ohh, be ready
Promise when the day comes,
Whoâ€™s ready ohh

Oh oh oh oh oh..
When the trumpet blows, I wanna be ready
You got to be ready, oh oh oh oh
What itâ€™s like to be free?
You know Iâ€™m ready,
Be the trumpet blow, when the trumpet blows
Yeah, I wanna be ready
Yes, sure you will and yes..
I know tomorrow is not promised
Yeah yeah yeah yeah
Tell me, tell me, tell me oh oh
Youâ€™re gonna be ready, oh oh oh yeah
