

# Push Comes To Shove

Irie White

Does it seem cold in here to you? Ah man  
What's there to do tonight? Anything?  
Give me another cigarette over here  
Is there anything left in that bottle?  
Yeah, give it here man, over here  
Oh, oh yeahSome people live apart  
They break your heart so damn easy  
And then one night in stunning victory  
She decides and you agree, she's leavingWill you ever be the same?  
Will you ever be the same?That's when push comes to shove  
I believe it was inevitable  
That's when push comes to shove  
Could this be the one that got away?I get the message, guess I knew it all along  
Says, 'You're a stranger here in paradise, you fool'  
It seems like forty days and forty nights  
Since someone used my first name, including youWill it ever be the same?  
Is this the one that got away?Push, shove  
Push, shove  
Push, shove  
Push, shove  
Push, shove  
Push, shoveNow I'm ahead of the game  
Driving me insane  
Ah, it was a small change  
Ooo, I'm just a pushover  
Over and over
