## Coalesce

It's all too typical how they forget their names  
When they finally grow their balls  
It's all too typical how these parents  
They deal with threats and dare to expect change anonymously  
Where the hell do you think you are?  
Dirty looks and guilt trips are useless on us  
They only work on your own kids  
And you, you Terry, you fall right in line  
With your 'more gore' and 'more fuck'  
And attitude that everyone is a fake but you  
Well, fucker, you're the fake  
Busy fingers on mental midgets  
From left to right, east to west  
It's so damned easy to be you  
It's so easy to be a coward with no name
