Worldwide

Big Time Rush

Wait a minute before you tell me anything

How was your day?

'Cause I been missing

You by my side, yeahDid I awake you out of your dream?

I'm sorry but I couldn't sleep

You calm me down

There's something about the sound of your voiceI, I, I, I never, never, never

As far away as it may seem no never

Soon we'll be together

We'll pick up right where we left offParis, London, Tokyo

It's just one thing that I gotta do

Hello, tuck you in every night on the phone

Hello, tuck you in every nightAnd I can hardly take another goodbye

Baby, won't be long

You're the one that I'm waiting on

Hello, tuck you in every night on the phone, woahGirl, I'll be thinking about you worldwide, worldwide,

worldwide

Girl, I'll be thinking about you worldwide, worldwide, worldwide

Girl, I'll be thinking about youYes, I may meet a million pretty girls

That know my name

But don't you worry, no

'Cause you have my heartIt ain't easy to keep on moving city to city

Just get up and go

The show must go on

So I need you to be strong I, I, I, I never, never, never

As far away as it may seem no

Soon we'll be together

We'll pick up right where we left offParis, London, Tokyo

It's just one thing that I gotta do

Hello, tuck you in every night on the phone

Hello, tuck you in every nightAnd I can hardly take another goodbye

Baby, won't be long

You're the one that I'm waiting on

Hello, tuck you in every night on the phone, yeahGirl, I'll be thinking about you worldwide, worldwide, worldwide

Girl, I'll be thinking about you worldwide, worldwide, worldwide

Girl, I'll be thinking about youWhoa, wherever the wind blows me

You're still the one and only girl on my mind

No, there ain't no one better

(Worldwide)
So always remember
(Worldwide)

Always remember, girl, you're mineParis, London, Tokyo
It's just one thing that I gotta do

You're the one that I'm waiting on

Hello, tuck you in every night on the phone, woahGirl, I'll be thinking about you worldwide, worldwide, worldwide
