One More Night

One Drop

One more night, one more night I've been trying, oh so long to let you know Let you know how I feel And if I stumble, if I fall, just help me back So I can make you see Please give me one more night Give me one more night One more night 'Cause I can't wait forever Give me just one more night Ooh, just one more night Oh, one more night 'Cause I can't wait forever I've been sitting here so long, wasting time Just staring at the phone And I was wondering should I call you Then I thought, maybe you're not alone Please give me one more night Give me just one more night Oh, one more night 'Cause I can't wait forever Please give me just one more night Ooh, just one more night Oh, one more night 'Cause I can't wait forever Give me one more night Give me just one more night Ooh, one more night 'Cause I can't wait forever Like a river to the sea I will always be with you And if you sail away I will follow you Give me one more night Give me just one more night Oh, one more night I can't wait forever I know there'll never be a time You'll ever feel the same

And I know it's only words
But if you change your mind
You know that I'll be here
And maybe we both can learn
Give me just one more night
Give me just one more night
'Cause I can't wait forever
Give me just one more night
Give me just one more night
Give me just one more night
Coh, one more night
Coh, one more night
