# One Man Band

## daltrey, roger

Everybody knows down Lad broke Grove
You have to leap across the street
You can lose your life under a taxi cab
You gotta have eyes in your feetYou find a nice soft corner and you sit right down
Take up your guitar and play
Then the lawman comes and says move along
So you move along all dayI'm a one man band
Nobody cares nor understands
Is there anybody out there wanna lend a hand
To my one man bandFor three days now I haven't eaten at all
My, my, I must be getting so thin
Soon my cap won't be large enough
To drop a half a crown inSo hey there mister don't you look so sad
Don't look so ill at ease
When I can play you any song you like
To cheer up the life you leadI'm a one man band
Nobody cares nor understands
Is there anybody out there wanna lend a hand
To my one man bandAnd oh, oh, oh, look at the rain falling
Oh, oh, oh look at it rain
Oh, look at it rainNobody sees the minstrel boy
As he sings his tale of woe
Nobody sees him coming, nobody sees him goSo hey, there mister don't you look so sad
Don't look so ill at ease
When I can play you any song you like
To cheer up the life you leadI'm a one man band
Nobody cares nor understands
Is there anybody out there wanna lend a hand
To my one man band
