So I Thought

Flyleaf

All your twisted thoughts free flow
To everlasting memories, show soul
Kiss the stars with me and dread the wait for
Stupid calls returning to us to life
We say to those who are in love
It can't be true 'cause we're too young
I know that's true because so long I was
So in love with you, so I thought
A year goes by
And I can't talk about it
On my knees, dim lighted room
Thoughts free flow try to consume myself in this
I'm not faithless
Just paranoid of getting lost or that I might lose
Ignorance is bliss cherish it
Pretty neighborhoods you learn to much to hold
Believe it not and fight the tears
With pretty smiles and lies about the times
A year goes by
And I can't talk about it
The times weren't right
And I couldn't talk about it
Choris romance says good night
Close your eyes and I'll close mine
Remember you, remember me
Hurt the first, the last between
Choris romance says good night
Close your eyes and I'll close mine
Remember you, remember me
Hurt the first, the last, between
And I'm praying that we will see
Something there in between
Then and there that exceeds all we can dream
So we can talk about it
Choris romance says goodnight
Close your eyes and I'll close mine
Remember you, remember me
Hurt the first, the last between
Choris romance says good night

Close your eyes and I'll close mine
Remember you, remember me
Hurt the first, the last healing
And I'm praying that we will see
Something there in between
Then and there that exceeds all we can dream
And all these twisted thoughts I see
Jesus, there in between
And all these twisted thoughts I see
Jesus, there in between
