Advisory - the following lyrics contain explicit language:

Well, I never will forget that floatin' bridge  
Well, I never will forget that floatin' bridge  
Well, I never will forget that ol' floatin' bridge  
Tell me, five minutes underwater when I was hid When I was goin' down I throwed up my hands  
Yeah, when I was goin' down I throwed up my hands  
Now, when I was goin' down I throwed up my hands  
Lord, please, please take me on dry land Now, they carried me out the water an' they laid me on the bank  
Now, they carried me out the water an' they laid me on the bank  
They carried me out the water, they laid me on the bank  
About a gallon of muddy water I had drank Now, they dried me off an' they laid me on the bed  
Now, they dried me off an' they laid me on the bed  
Now, they dried me off, they laid me on the bed  
Don't like muddy water runnin' through my head Now, my mother often taught me, don't you be no bum  
But my mother often taught me, don't you be no bum  
But my mother often taught me, son, don't you be no bum  
Go somewhere settle down find you someone Now, the people standin' on the bridge was screamin' an' cryin'  
Well, the people on the bridge was screamin' an' cryin'  
Now, the people on the bridge was standin' screamin' an' cryin'  
Lord, I thought sure that I was dyin' Well, I never will forget that floatin' bridge  
Well, I never will forget that floatin' bridge  
I never will forget that ol' floatin' bridge  
Tell me, five minutes underwater when I was hid  
Tell me, five minutes underwater when I was hid
