It's Not The Fall That Hurts

Caesars

All my life I've been fall-falling apart
Been tumbling down quick first right from the start
I never learned just get up and go on
Until I'm just knocked right off of my feetBut it's not the fall that hurts
It's when you hit the ground
'Cause it's not the fall that hurts
It's when you hit the groundStumblin' with every step I take
And it seems I can't get a grip
I'm soon gonna slip and then I look down
I see the fur ground is closening fast again and then boomBut it's not the fall that hurts
It's when you hit the ground

'Cause it's not the fall that hurts

Fall-fall-fall-fall-fall-falling apart

Fall-fall-fall-fall-fall-falling apart

Fall-fall-fall-fall-fall-falling apartIt's when you hit the ground

But it's not the fall that hurts

It's when you hit the ground

'Cause it's not the fall that hurtsIt's when you hit the ground

But it's not the fall that hurts

It's when you hit the ground

'Cause it's not the fall that hurts

It's when you hit the ground
