

The Real Thing

Highway

Ah...

Ah...Inside you

Take me a little closer inside you

'Cause you got speedy shadows on the walls, I see you

Inside themFeel it

I'm the real thing, yeah

Feel it

I'm the real thing, yeahI'm gonna fight for your love

Gonna run, gonna feel good

I'm gonna feel what my body knowsGonna fight for your love

Gonna run, gonna feel good

I'm gonna feelI'm the real thing

I'm the real thing

I'm the real thing

Real thing, real thing, yeahInside you

Take me a little closer inside you

'Cause you got speedy shadows on the walls, I see you

Inside themFeel it

I'm the real thing, yeah

Feel it

I'm the real thing, yeahI'm gonna fight for your love

Gonna run, gonna feel good

I'm gonna feel what my body knowsGonna fight for your love

Gonna run, gonna feel good

I'm gonna feelFeel it

I'm the real thing, yeah

Feel it

I'm the real thing, yeah
