

Mulder and Scully

Catatonia

I'd rather be liberated, I find myself captivated
Stop doing what you, keep doing it too
I'd rather stay bold and lonely, I dream I'm your one and only
Stop doing what you, keep doing it too Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone I'd rather be jumping ship, I find myself jumping straight in
Stop doing what you, keep doing it too
Forever be dozy and dim, I wake myself thinking of him
Stop doing what you, keep doing it too Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone Here my bed is made for two and there's nothing I can do
So tell me something I don't know
If my head is full of you, is there nothing I can do?
Must we all march in two by two by two? And as for some happy ending, I'd rather stay single and thin
Stop doing what you, keep doing it to me Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone here Things are getting strange, I'm starting to worry
This could be a case for Mulder and Scully
Things are getting strange, now I can't sleep alone So what have you got to say about that?
And what does someone do without love?
And what does someone do with love?
And what have you got to say about that?
