

# Suicide Note, Part I

## Pantera

Cheap cocaine, a dry inhale, the pills that kill and take the pain away  
Diet of life, shelter without, the face that cannot see inside yours and mine  
When I'm hiding, when I need it, it lets me breathe  
For our handle on this life, I don't believe this time  
Would you look at me now?  
Can you tell I'm a man?  
With these scars on my wrists  
To prove I'll try again  
Try to die again, try to live through this night  
Try to die again  
Forever fooling, free and using, sliding down the slide that breaks a will  
Mothers angel, getting smarter, how smart are you to regress unfulfilled?  
It's a damn shame, When I'm hiding, when I need it, it lets me breathe  
For our handle on this life, I don't believe this time  
Would you look at me now?  
Can you tell I'm a man?  
With these scars on my wrists  
To prove I'll try again  
Try to die again, try to live through this night  
Try to die again
