

It's Your Love

Tim McGraw

Yeah, yeah

Dancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, touchin' my skin
And asking you to do
What you've been doin' all over again

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go?

It's your love
It just does something to me
It sends a shock right through me
I can't get enough

And if you wonder
About the spell I'm under
Oh, it's your love

Better than I was, more than I am
And all of this happened by taking your hand
And who I am now is who I wanted to be
And now that we're together
I'm stronger than ever, I'm happy and free

Oh, it's a beautiful thing
Don't think I can keep it all in
If you asked me why I've changed
All I gotta do is say your sweet name

It's your love
It just does something to me
It sends a shock right through me
I can't get enough

And if you wonder
About the spell I'm under

Oh, it's your love

Oh, oh, oh, baby

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go?

It's your love
It just does something to me
It sends a shock right through me
I can't get enough

And if you wonder
About the spell I'm under
Oh, it's your love

It's your love
It's your love
