

# It Must Have Been Love (Glee Cast Version)

## Glee Cast

Kitty and Spencer:  
It must have been love  
But it's over now

Lay a whisper on my pillow  
Leave the winter on the ground  
I wake up lonely, there's air of silence  
In the bedroom and all around

Touch me now, I close my eyes  
And dream away

Kitty and Spencer with New Directions:  
It must have been love but it's over now  
It must have been good but I lost it somehow  
It must have been love but it's over now  
From the moment we touched til the time had run out

Kitty with Spencer (New Directions):  
Make-believing we're together  
That I'm sheltered by your heart  
But in-and-outside (In-and-outside)  
I've turned to water  
Like a teardrop in your palm (In your palm)

And it's a hard winters day  
I dream away  
Oh, oh

Kitty and Spencer with New Directions (New Directions):  
It must have been love (Must have been love)  
But it's over now (But it's over now)  
It's all that I wanted

Spencer with New Directions:  
Now I'm living without (Kitty: Living without)

Kitty and Spencer with New Directions:  
It must have been love but it's over now

Kitty with New Directions:  
It's where the water flows (Spencer: It's where the water flows)

Kitty:  
It's where the wind blows (Spencer: Whoa-oh)

Spencer with Kitty and New Directions:  
Where the wind blows

Kitty:  
Yeah, yeah

New Directions:  
Where the wind blows (Kitty and Spencer: Blows)

Kitty with Spencer and New Directions (New Directions):  
It must have been love (It must have been love)
