Birds And Bees

Ben Lee

I get the feelin? everyone?s feelin? the same
Like somebody somewhere should be callin? their name
Prayin? in churches or out in the club
Everyone?s lookin?, lookin? for loveBirds and bees and songs like these
'Cause we want what we want and it?s natural, baby
Birds and birds and bees and bees
'Cause we want what we want and it?s natural, babyIt?s not a secret, it?s not a crime
I've never done this before, well, neither have I, yeah right
So I blow out the candles and I'm makin? a wish
Come over here babe and give me a kissBirds and bees and songs like these
'Cause we want what we want and it?s natural, baby
Birds and birds and bees and bees
'Cause we want what we want and it?s natural, babyAnd it?s natural, babyI get the feelin? everyone?s feelin? the same
You lean in close and you whisper my name
You're whispering, you're whispering, life is but a dream
And you are so beautiful, you make me wanna screamBirds and bees and songs like these
'Cause we want what we want and it?s natural, baby
Birds and birds and bees and bees
'Cause we want what we want and it?s natural, babyAnd it?s natural, baby
And it?s natural, baby
