

# Catch Us If You Can

Elle King

I know I didn't choose you  
We've got no time left to lose  
Catch us if you can, catch us if you can  
The red and blue in the rear view  
If I'm a fifth of whiskey  
You're the champagne  
If you're a wildflower  
I'm a grenade  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
Our star won't fade  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
Hey, hey, hey, hey  
We are rebel runaways  
Catch us if you can, catch us if you can  
Catch us if you can, catch us if you can  
Mugshots and Jimmy Choo  
Diamonds and orange jumpsuits  
Catch us if you can, catch us if you can  
Looking real good on the evening news  
If I'm a fifth of whiskey  
You're the champagne  
If you're a wildflower  
I'm a grenade  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
Our star won't fade  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
Hey, hey, hey, hey  
We are rebel runaways  
The prince with the manicure  
Handcuffs are prison couture  
Catch us if you can, catch us if you can  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
We are the wild, we are the reckless  
every mile  
they'll never catch us

Our star won't fade  
We are the wild, we are the reckless  
every mile  
they'll never catch us  
Hey, hey, hey, hey  
We're rebel runaways  
Catch us if you can, catch us if you can  
Catch us if you can, catch us if you can  
We're rebel runaways  
Catch us if you can, catch us if you can  
We're rebel runaways  
We run away, we run away
