Dark Is the Season

Evenfall

listen to this voice
takes me to the deepest
innerself of innocence
let me fly as high as the
sun let me fall as deep
as hell
let me fall as deep
as hell
the brightness of this
word destroyed my hearing
the feeling of heat burns
inside of me, i'm on my limits
i'm lost
my creed belongs to this voice
of truth, full of hate and love
chaos, illusion, reality,
no words enough...
all around me the darkness,
so black, only my soul
shines now on everithing
and averyone
without me no life
without me no faith
without me no life
without me no faith
listen to this voice
takes me to the deepest
innerself of innocence
my creed belongs to this voice
of truth, full of hate and love
chaos, illusion, reality,
no words
no words enough, enough
no words enough, enough
conjuro et contestor...
listen to this voice
takes me to he deepest
innerself...
