Blood on the swans

Kataklysm

Chaos breeds the sky, inhabits all our lives
War mongers deny but order the first strikeUntil the last man dies, corrupt the system blind
This is blood on the swans, hells pawn
This is blood on the swans, fallenDomination, corruption
Desperation feeds the nations
Desperation cleanses nationsUntil the last man dies, corrupt the system blind
This is blood on the swans, hell spawn
This is blood on the swans, fallenWhere are thy leaders?
Where is thy Saviour?Blood on the swans
