Hallways

Islands

waiting to get to your room
hallways
always waiting
feels like I've been waiting for days
in these hallways
wait x 9walls cave
turns refuse to waste
hallwaysknock, knock knock
broken lock
i'll just wait in hallway
In some small way, ooh (?)
this can be a pleasurable phase
walls cave
turns refuse to waste
hallwayswalls cave
turns refuse to waste
hallways
in the hallways
yea, she turns to you to say
always
