Boy Racer

A Plastic Rose

I just figured out,
How to save the world,
With my hands,
Hold her close to your chest,
And don't say a word,
Just slow dance,
Just slow dance,
Just slow dance.,
Just slow dance,
Just slow dance,
Just slow dance,
Just slow dance,
Just slow dance.Boy racer,
Pedal to metal,
You'll soon be turn to dust,
I believe,
That soon the boy racer,
Will be catching up with us.Crash the vehicle,
Into the obstacle,
With no hands,
Good for steering,
But you don't need them,
To go fast,
To go fast,
To go fast,
To go fast,
To go fast,
To go fast,
To go fast,
To go fast.Boy racer,
Pedal to metal,
You'll soon be turn to dust,
I believe,
That soon the boy racer,
Will be catching up with us,
With us.
