

# Passenger (feat. Maynard James Keenan of Tool)

## Deftones

Here I lay  
Still and breathless  
Just like always  
Still, I want some more  
Mirrors sideways  
Who cares what's behind?  
Just like always  
Still your passenger The chrome buttons buckle on leather surfaces  
These and other lucky witnesses  
Now to calm me  
This time won't you please  
Drive faster Roll the windows down this  
Cool night air is curious  
Let the whole world look in  
Who cares who sees anything?  
I'm your passenger  
I'm your passenger Drop these down  
Then put them on me  
Nice cool seats  
There to cushion your knees  
Now to calm me  
Take me around again  
Don't pull over  
This time won't you please  
Drive faster Roll the windows down this  
Cool night air is curious  
Let the whole world look in  
Who cares who sees what tonight?  
Roll these misty windows  
Down to catch my breath and then  
Go and go and go just  
Drive me home and back again Here I lay  
Just like always  
Don't let me  
Go go go go go go go go go  
Take me to the edge
