

# Cure for Pain

## Morphine

Where is the ritual  
And tell me where, where is the taste?  
Where is the sacrifice  
And tell me where, where is the faith? Someday there'll be a cure for pain  
That's the day I throw my drugs away  
Find a cure for pain Where is the cave, where the wise woman went  
And tell me where, where's all that money that I spent  
I propose a toast to my self control  
You see it crawling helpless on the floor Someday there'll be a cure for pain  
That's the day I throw my drugs away  
When they find a cure for pain  
When they find a cure for pain  
Find a cure, find a cure for pain
