

We Walk With Mary

[Andrew Chinn & Friends](#)

Mary said yes to God (pray for us), may we trust in God (pray for us), we walk with Mary to show us God's way, we open our hearts to Jesus each day, we follow his footsteps welcoming hands, together with Mary, together we stand.

Mary who loved to family (pray for us) may we people a piece (pray for us) we walk with mary to show us God's way, we open our hearts to Jesus each day, we follow his footsteps welcoming hands, together with Mary, together we stand.

Mary who gave God praise (pray for us) may we praise God everyday (pray for us), we walk with Mary to show us God's way, we open our hearts to Jesus each day, we follow his footsteps walking in hand, together with Mary, together we stand.

Mary who was kind to all (pray for us) may we be sharers of love, (pray for us) we walk with Mary to show us God's way, we open our hearts to Jesus each day, we follow his footsteps walking in hand, together with Mary, together we stand.

Mary who built the community (pray for us) people of action and seek good deeds (pray for us) we walk with Mary who shows us God's way, we open our hearts to Jesus each day, we follow his footsteps walking in hand, together with Mary, together we stand.
