

# Good Enuff (Cash Flow dub)

## Major Lazer

It's never ever good enough for you  
I got this strange little feeling  
That my words ain't appealing to you  
Not good enough for you  
Me love the music and so me dweet  
Me smoke herb 'cause it's sweet a nuh true  
Good enough for you  
Me can't fight the feeling that my words ain't appealing to you  
Not good enough for you  
Me love the music and so me dweet  
Me smoke weed 'cause it's sweet a nuh true Burn it up in the atmosphere  
Watch the smoke, rise up, where do we go from here  
Why did I think that the truth would become clear  
I tell you how I feel, you say it's insincere  
We try baby but were going south  
I try baby but your full of doubt  
So tell me what am I to do right now? Light it up, light it up, and hope it don't burn out!  
'Cause every little high we hit  
We never make the most of it,  
You always think I'm talking shit,  
I swear, I mean every word of it  
Light it up, light it up, light it up  
Light it up, light it up, light it up! 'Cause it's never ever good enough for you  
I got this strange little feeling  
That my words ain't appealing to you  
Not good enough for you  
Me love the music and so me dweet  
Me smoke herb 'cause it's sweet a nuh true  
Good enough for you (good enough for you)  
Me can't fight the feeling that my words ain't appealing to you  
Not good enough for you (good enough for you)  
Me love the music and so me dweet  
Me smoke weed 'cause it's sweet a nuh true
