One Love

One love
One love
One love
One love
The only one who's love is true
Makes you feel, makes you feel happiness you'll never get
The only one, who's love is true
Makes you feel, makes you feel happiness you'll never get
The only one, who's love is true
Makes you feel, makes you feel
Makes you feel
The only one, who's love is true
Makes you feel, makes you feel happiness you'll never get
The only one, who's love is true
Makes you feel, makes you feel
One love
One love
One love
One love
The only one, who's love is true
Makes you feel, makes you feel happiness you'll never get
The only one, who's love is true
Makes you feel, makes you feel, makes you feel one love
One love
One love
One love
One love
