Perfect Mask

Paradise Lost

I live behind the perfect mask
Erase the rule foreverI live behind the perfect mask
Unleash the truth foreverI live behind the perfect mask
Too late gonna live at lastI live behind the perfect mask
Too late gonna live at lastI live behind the perfect mask
Erase the truth foreverI live behind the perfect mask
Only the true endevourHelp me. I dare say theres no other way
Help me. I dare say theres no other way to goWanton fallacy again
Merciless until the end
Recognise my heart is there
So reveal me and disgrace me
