

# Hallelujah

[Kathryn Williams](#)

Well I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you? Well it goes like this, the fourth, the fifth  
The minor chord and the major lift  
The baffled king composing Hallelujah Hallelujah, Hallelujah  
Hallelujah, Hallelujah Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you And she tied you, to her kitchen chair  
Broke your throne, and cut your hair  
And from your lips she drew the Hallelujah Hallelujah, Hallelujah  
Hallelujah, Hallelujah Baby, I've been here before  
I know this room and I've walked this floor  
You know, I used to live alone before I knew you And I've seen your flag on the marble arch  
Love's not some kind of victory march  
It's a cold and a broken Hallelujah Hallelujah, Hallelujah  
Hallelujah, Hallelujah There was a time when you let me know  
What's really going on below  
But now you never show it to me, do you? But I remember when I moved in you  
Holy dove was moving too  
And every breath we drew was Hallelujah Hallelujah, Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelujah  
Hallelujah, Hallelujah
