

# Goodbye Blue Sky

[Ann Wilson](#)

Look, mummy  
There's an airplane up in the skyDid you see the frightened ones  
Did you hear the falling bombs  
Did you ever wonderWhy we had to run for shelter  
When the promise of a brave new world  
Unfurled beneath a clear blue skyDid you see the frightened ones  
Did you hear the falling bombs  
The flames are all long gone  
But the pain lingers onGoodbye blue sky  
Goodbye blue sky  
Goodbye  
Goodbye
