

Look in the Mirror

Phillippia Written By Tyler Perry Produce By Ron G

Verse 1

I look in the mirror
I don't know who's staring back at me
A soul that's lost
Controlled by a loving enemy
The reflection from your eyes
Seems to show my flaws
A little girl in love
But a woman that was lost

Chorus

I look in the mirror and oh how I stare
Searching for some part of me and she's not there
From the way I dress to the way I wear my hair
It's all your creation and that ain't fair.

Verse 2

I look at my life
And say, "Oh God why me?"
He gives me everything
But I have, I have no peace
I can't go on living
Living life for him (day after day)
His same old promises, yea
My light is burning dim

Chorus

I look in a mirror
And oh how I stare
Searching for some part of me and she's not there
From the way I dress to the way I wear my hair
It's all your creation and that ain't fair

Bridge

When will I begin to live for me?
When will these feet bring me liberty?
I go around same circle it's true
Trapped in a maze and all I do

Chorus

Is look in a mirror and oh how I stare
Searching for some part of me and sheâ€™s not there
From the way I dress to the way I wear my hair
Itâ€™s all your creation and that ainâ€™t fair
I look in a mirror and oh how I stare
Searching for some part of me and sheâ€™s not there
From the way I dress to the way I wear my hair
Itâ€™s all a creation and that ainâ€™t fair
