## Blog do Xisto

I know she said it's alright  
But you can make it up next time  
I know she knows it's not right  
There ain't no use in lying Maybe she thinks I know something  
Maybe, maybe she thinks it's fine  
But maybe she knows something I don't  
I'm so, I'm so tired, I'm so tired of trying It seems to me that maybe  
It pretty much always means no  
So don't tell me  
You might just let it go And often times we're lazy  
It seems to stand in my way  
Cause no one, no, not no one  
Likes to be let down I know she loves the sunrise  
No longer sees it with her sleeping eyes  
And I know that when she said she's gonna try  
Well it might not work because of other ties and I know she usually has some other ties  
And I wouldn't want to break 'em, nah  
I wouldn't want to break 'em  
Maybe she'll help me to untie this but  
Until then well, I'm gonna have to lie too It seems to me that maybe  
It pretty much always means no  
So don't tell me  
You might just let it go And often times we're lazy  
It seems to stand in my way  
Cause no one, no, not no one  
Likes to be let down It seems to me that maybe  
It pretty much always means no  
So don't tell me  
You might just let it go The harder that you try baby, the further you'll fall  
Even with all the money in the whole wide world  
Please please, please don't pass me  
Please please, please don't pass me  
Please please, please don't pass me by Everything you know about me now baby, you gonna have to change  
You gonna call it by a brand new name  
Please please, please don't drag me  
Please please, please don't drag me  
Please please, please don't drag me down Just like a tree down by the water baby, I shall not move  
Even after all those silly things you do  
Please please, please don't drag me

Please please, please don't drag me  
Please please, please don't drag me down
