Until It's Time for You to Go

Nancy Sinatra

You're not a dream, you're not an angel
You're a man
I'm not a queen, I'm a woman
Take my handWe'll make a space in the lives
That we'd planned
And here we'll stay
Until it's time for you to goYes, we're different, worlds apart
We're not the same
We laughed and played at the start
Like in a gameYou could have stayed outside my heart
But in you came
And here you'll stay
Until it's time for you to goDon't ask why
Don't ask how
Don't ask forever
Love me, love me, just love me nowThis love of mine, had no beginning
And it has no end
I was an oak but now I'm a willow
Now I can bendYou're not a dream, you're not an angel
You're a man
I'm not a queen, I'm a woman
Just take my handWe'll make a space in the lives
That we'd planned
And here we'll stay
Until it's time for you to goUntil it's time for you to go
