# King for a Day

## Chant

If there was a way
I could be king for a day
I know what I'd do
I'd sing a song to you
Goes like this
You will be mine
You will be mineAnd who's to say
In a strange way
Maybe I am
And before too long
I'll come to youâ•©
And steal a kiss
You will be mine
You will be mineYes it's okay
If you don't obey
The king of Siam
I'm already gone
Shoo, shoo
Remember this
You will be mine
You will be mineAnd every night it seems
I have the same old dream
And it's haunting me
And every night seems
I have this same old dream
And it's taunting me
But, I'm on my way
A ha ha aah
I'm on my way
Sing-in'
Unda dida da da da
Unda dida da da da
Unda dida da da da
