

# What's It Gonna Be

## Mr. Big

What's it gonna be, baby?  
Shivers down my spine  
Swim on to your island  
Is your treasure mine?  
Send me out an answer  
Tell me something real What's it gonna be, baby?  
What's it gonna be?  
Why 's it have to be so hard  
To win your sympathy?  
What's it gonna be, baby?  
What's it gonna be? You're takin' your time makin' up your mind  
You should be makin' time with me, yeah  
How's it gonna feel, baby?  
Your back's against the wall  
Close your eyes and feel your  
Body starts to fall...  
Gimme little answer woh... What's it gonna be, baby?  
What's it gonna be?  
What's it gonna take to see the possibilities?  
What's it gonna be, baby?  
What's it gonna be?
