Deadhead

Drifta

I got a royal flush
I gotta ten bob
In my pocket for luckJust another crush
I got my head read
In the shed once again, my friendInside, outside, upside, downside
See my face wanna take me home
I missed your sister, shake your pistol
Hear my voice on your telephoneJust another lush
I got my ten green bottles
In my pocket for luckIn another rut
Get your deadhead
In the shed once again, my friendInside, outside, upside, downside
See my face wanna take me home
I missed your sister, shake your pistol
Hear my voice on your telephoneInside, outside, upside, downside
See my face wanna take me home
I missed your sister, shake your pistol
Hear my voice on your telephoneCigarette burning, got an opal ring
Dirty magazine turning, you're a bird who sings
Sleeping on a shag pile, sleeping on me
Sleeping like an Angel watching over me
