HahaEverybody said  
You'd better stay in school  
Get a real job boy  
Don't be a fool  
Burn that guitar  
You can never be a star  
I can, I can, I can soA thousand disbelievers couldn't keep me on the ground  
I've invented a momentum that'll never slow me down  
I believe it 'cause I feel it and I shout it out loud  
I can, I can, I can soEverybody said boy don't go any higher  
(Uh uh, fuck that)  
I can do anything  
Never push the limit and don't play with fire  
(Uh uh, fuck that)  
I can do anything  
Na na na na na na na  
Na na na na na na  
Wear my heart on my fist take you by surprise fire
