Lately, I donâ€™t want to talk about it.
Iâ€™ve been tripping on myself
Stop me before I let her walk away

I think itâ€™s better if youâ€™
Stay
We could say goodbye to someday
Iâ€™m begging you to
Stay
Cause Iâ€™ll wait Iâ€™ll wait for you

I canâ€™t believe that things are better when youâ€™re on your own
Maybe thatâ€™s the reason you think you should let me go

Lately, I donâ€™t want to talk about it
Iâ€™ve been tripping on myself
Stop me before

If you want it donâ€™t leave it
Donâ€™t ever let me go
If there is something Iâ€™m missing then baby let me know
Yeahâ€™

I think itâ€™s better if youâ€™
Stay
We could say goodbye to someday
Iâ€™m begging you to
Stay
Cause Iâ€™ll wait Iâ€™ll wait for you

I think itâ€™s better if youâ€™
