

I Worship (feat. Tomilola Oyelakin)

David Idioh

Lord I worship You because of who you are
By David Idioh & Tomi

Lord I want to forget myself in worship
Forget all my worries, pains and burdens in worship
Cause I know in the place of my worship you will reach out for me
And I know in the place of my worship you will meet my every need
Lord I worship you, I worship you
Lord I worship you because of who you are to me
Lord I worship you, I worship you
Lord I worship you because of who you are

Lifted hands towards the heavens I worship you
Laying down all my worries, pain and burdens I worship you
Cause I know in the face of my worship you will reach out for me
And I know in the place of my worship you will meet my every need
Lord I worship you, I worship you
Lord I worship you because of who you are to me
Lord I worship you, I worship you
Lord I worship you because of who you are
