It's Such a Pretty World Today

Nancy Sinatra

It's such a pretty world today, look at the sunshine
(Look at the sunshine)
And every day's the same since I met youIt's such a pretty world today, knowing that you're mine
(Knowing that you're mine)
And happiness is being close to youAnd though the rain may fall our skies will all be blue
If I look close enough the sun will come shining throughIt's such a pretty world today look at the sunshine
(Look at the sunshine)
Today and every day since I met youIt's such a pretty world today, look at the sunshine
(Look at the sunshine)
And every day's the same since I met youIt's such a pretty world today, knowing that you're mine
(Knowing that you're mine)
And happiness is being close to youAnd though the rain may fall my skies will all be blue
If I look close enough the sun will come shining throughIt's such a pretty world today, look at the sunshine
(Look at the sunshine)
Today and every day since I met you
