

It's Such a Pretty World Today

[Nancy Sinatra](#)

It's such a pretty world today, look at the sunshine

(Look at the sunshine)

And every day's the same since I met youIt's such a pretty world today, knowing that you're mine

(Knowing that you're mine)

And happiness is being close to youAnd though the rain may fall our skies will all be blue

If I look close enough the sun will come shining throughIt's such a pretty world today look at the sunshine

(Look at the sunshine)

Today and every day since I met youIt's such a pretty world today, look at the sunshine

(Look at the sunshine)

And every day's the same since I met youIt's such a pretty world today, knowing that you're mine

(Knowing that you're mine)

And happiness is being close to youAnd though the rain may fall my skies will all be blue

If I look close enough the sun will come shining throughIt's such a pretty world today, look at the sunshine

(Look at the sunshine)

Today and every day since I met you
