Good Vibes (Acoustic)

Rebelution

Good vibes
Bringing only good vibes
People walking around talking down on others
You can't know yourself without knowing about the other
And I know
That ain't the right way to goI've got a hunch that we don't want to diss
Let's move away from hate and prejudice
The racist man yeah he's full of it
Let's learn about the culture opposite now
Don't judge a book by the cover
People take a look at the world and discover
That beauty is the word that I think of
When I see the different colors of skin
And I'll rejoice and sing for themOh, no, no, no
The hatred keeps building up
Oh, no, no, no
The tension keeps on building up yeah
Oh, no, no, no
The hatred keeps building up, yeah
Oh, no, no, no
The racism is killing usWhen we come around, yeah
Try to keep compassion on the ground, yeah
Feel a sense of freedom with crowd, yeah
Connecting people with the sound, oh yeah yeahWell it's a choice to be grateful
People focus on the enemy that's hateful
The daily news has got a picture of a man
They say I'm supposed to hate
So great, just another stereotype to makeOh, no, no, no
The hatred keeps building up
Oh, no, no, no
The tension keeps on building up yeah
Oh, no, no, no
The hatred keeps building up, yeah
Oh, no, no, no
The racism is killing usToo many times that I've seen the wrong signs
Back up with your hatred in life
'Cause we're bringing only good vibes
Bringing only good vibes
Too many times that I've seen the wrong signs

Empty out the hatred in life
We're bringing only good vibesGood vibes
We're bringing only good vibes
Good vibes
We're bringing only good vibes
Good vibes
We're bringing only good vibes
